Sammy Sullivan's brief life continues to inspire his parents Joe and Brenda to leave a lasting legacy to their beautiful child. Through the support of extended family and great friends – Sammy Sullivan Charities outreach will touch even more lives.

We partnered with Kids Charity of Tampa Bay, Inc., which is a non-profit 501 (c) (3), and pledged to build and furnish a 12 bed home at the new Kids Charity Village in Brandon. Completed in April 2009, this village is a 60 bed, five home, emergency shelter for neglected children. Whether scared, confused, bruised or battered, the Sammy House is now providing a safe haven for these children in their time of need.
