I want to thank you for your support of Sammy Sullivan Charities and to provide you with some exciting news on our new partnership and aggressive goals for the future.

First, a look back at 2007...

The 2007 Sammy Sullivan Charities Golf Outing was an incredible success as we raised over \$90,000!! Thanks to your contributions we were able to benefit the McCarthy Family of Atlanta, Georgia and help them cope with the devastating loss of three family members. In addition, we formed a new partnership with Kids Charity of Tampa Bay. This partnership will allow us to help more families and provide a lasting legacy for our beloved Sammy Sullivan.

On December 1, 2007, Sammy Sullivan Charities gave the first \$100,000 towards our five-year commitment of \$400,000 to build the Sammy Sullivan House. This house will allow siblings in foster care to stay together. Land has been purchased and ground breaking is expected in May.

Now for 2008...

Hold the date of October 17, 2008 for the Annual Sammy Sullivan Golf Outing. We're looking forward to your support and participation. We have increased our goal for fund-raising to \$100,000 to help us achieve our funding for the Sammy Sullivan House with the Kids Charity for Tampa Bay.

I cannot adequately express my gratitude to you for your support. The word "thanks" doesn't quite cut it when I see the fruits of our charity in the eyes of the children we help. It gives me reason to smile myself and know that the legacy of little Sammy will live on as long as we find it in our heart to give.

Please visit our website to see pictures from the 2007 Golf Outing and to learn more about our partnership with the Kids Charity of Tampa Bay.

A special reminder that any donations can now be made by check made payable to:
